| | Cancellations and Missed Appointments: I understand that therapy needs to take place on a regular basis to be effective and that the best results occur when appointments are consistently scheduled and attended. I agree to give at least 24 hrs. notice when cancelling or rescheduling an appointment. If I do not provide at least 24 hrs. notice, I agree to pay a cancellation fee of \$75.00 and I understand that insurance cannot be billed for this fee. The late cancellation fee may be waived as a courtesy one time. | | |
| | Consent to Use and Disclose Your Health Information: Treatment includes collecting and maintaining information that the law calls "protected health information" (PHI). We need to use this information in our office to provide treatment to you. We may also share this information with others to arrange payment for your treatment, to help carry out certain business or government functions, or to help provide other treatment to you. By signing this form, you are also agreeing to let us use your PHI and to send it to others for the purposes described above. Your signature below acknowledges that you have read or received our <i>Notice of Privacy Practices</i> , which explains in more detail what your rights are and how we can use and share your information. | | |
| | Agreement to Pay for Professional Services: I agree to pay the per session fee as agreed upon with my provider. I accept responsibility for payment although other persons or insurance companies may make payments on my account. If my treatment is covered by my insurance plan, and my provider or Orange County Health Psychologists, Inc. is not a contracted provider within my plan, I agree to pay the difference between the contracted rate and the amount paid by my insurance company. If my insurance company pays my provider or Orange County Health Psychologists, Inc. directly, I assign payment or benefits to their office. I understand that if payment is not made, my treatment may be terminated. | | |
